Homestays are located less than 40 minutes from school on foot, by cycle or bus. Our hosts are typical of British and Cambridge society, with different ages and occupations, and from a variety of ethnic and cultural backgrounds. British homes can be very different to homes in other countries: they may have smaller bathrooms and kitchens, or they may have different facilities, such as a shower over the bath rather than a separate cubicle. Please take this into consideration when choosing your accommodation.
