Bede's Ethos & Values

Our Vision

Our Mission

We continue to craft a more joyful education.

- Cultivating a vibrant learning experience, motivating us to pursue our individual best.
- Providing a festival of opportunity, enabling us to discover new passions and develop new talents.
- Building a kind-hearted community, inspiring us to enhance the lives of others.

BE COMPASSIONATE

Because a caring community fosters belonging. We expect our community to show kindness to people of all ages, genders and ethnicities, maintaining campuses where every person feels joyful and energised.

BE COURAGEOUS

Because fortune favours the brave. We challenge our community to stand up for what is right, providing them with a safe environment where they can take bold action in pursuit of brilliance.

BE CURIOUS

Because wisdom can be found off the beaten track. We encourage our community to discover unlikely passions and hidden niches, releasing them into a wealth of opportunities inside and outside the classroom.

BE CONSCIENTIOUS

Because dedication is a spearhead of success. We ask our community to throw themselves wholeheartedly into every endeavour, taking responsibility for their journey and inspiring others to do the same.

Bede's Summer School has the privilege of being part of the St Bede's Sussex Trust, a charitable organisation that puts education, community and sustainability above all else. It is our belief that we should be conscientious and compassionate in all that we do and this is reflected in our provision of Summer School and shared values across all aspects of the Trust.

Where every
child finds
joy in their
pursuit of
brilliance.

Bede's Foundation

Since our school began, Bede's has had philanthropy rooted at its very core and many pupils have benefited from transformational bursaries, demonstrating that our core ethos of Compassion, Courage, Conscientiousness and Curiosity is a living and breathing part of everything that we do. In September 2022 we created the Bede's Transformational Bursary Fund, and in June 2023 launched the Bede's Development Foundation.

The mission of this campaign is to create in excess of twenty 110% Sixth Form transformational bursaries by 2029; the Senior School's 50th anniversary at The Dicker. A Bede's transformational bursary is worth 110% and targets those from the most disadvantaged backgrounds and covers a pupil's fees, transport, uniform and co-curricular programme so that they face no barrier to the opportunities Bede's provides when they take up their place with us. Making our bursaries truly transformational.

For every week booked at the Bede's Summer School, £20 of that booking will be donated to the Bede's Transformations Bursary Fund, which means together the Summer School will fund two 110% transformational bursaries a year for those most in need.

“ We want to make a difference to the lives of young adults who never ever thought they would be able to access a Bede's education. Ultimately, it comes down to social mobility, to creating a ripple effect across our school, local and wider communities where every single person is afforded the opportunities that a Bede's education provides – no matter their background. ”

Staff at Bede's

We recognise the key role staff play in making the student experience at Bede's Summer School special and memorable. That's why Bede's carefully selects our staff to ensure they are friendly and enthusiastic, with the skills, experience and passion to bring out the best from the students in our care.

Each centre has a minimum of four senior managers on site:

- Centre Director, who oversees all aspects of the school;
- Academic Manager, who ensures the delivery of engaging and motivating academic programmes;
- Welfare Manager, who looks after the students physical and emotional well-being; and
- Activities Manager, who is responsible for a varied, enjoyable and inspiring programme of sports, activities, academies, social events and excursions.

Every member of staff receives a thorough induction to make sure they are fully equipped for their roles. All staff are residential, so students receive 24-hour supervision and many of the staff return year after year, which helps Bede's to provide a high standard of pastoral care to students.

Bede's aim is to inspire students, widening their horizons and giving them opportunities to make international friendships, whilst also improving their English language skills.

Safeguarding & Student Care

Safeguarding and the health and well-being of our students is the top priority across St Bede's Trust Sussex. We are led by Annabel Hodge, Director of Safeguarding and Designated Safeguarding Lead, who oversees all the training of Summer School staff to ensure that everyone is aware of their role and responsibility in keeping students safe.

A qualified Registered Nurse is on site at each centre to provide medical care and dispense medicines. We ask parents/guardians to notify us in advance of any pre-existing conditions and prescription drug needs. Many of the staff are first aid trained so they are able to deal with small incidents which may occur during activities and excursions. An emergency 24/7 contact number is provided to every student and parent/guardian.

Students are looked after day and night by our on-site, dedicated staff. Each centre has a Welfare Manager and a team of House Parents who work closely together to make sure students feel happy and supported during their stay.

Academic Programme

At Bede's Summer School we deliver excellence in student academic programmes. Students can learn and develop their love of English through stimulating lessons taught by qualified, enthusiastic and committed teachers.

Each of our centres and courses has a closely defined age range that facilitates the design and delivery of a relevant, challenging and constructive syllabus in line with the Bede's mission, where students can enjoy multicultural classes with a 20% language cap on student enrolments to ensure a diverse international student community.

LESSONS

Each course has a different academic curriculum tailored to the age range of the centre. The number of hours of English tuition will also vary depending on the course. Please visit the relevant course pages in the prospectus for further information.

PLACEMENT TEST

Students will take a placement test on arrival to confirm their English level. They will then be placed into appropriate classes according to their level and age at the start of the programme. Bede's will apply a 20% language cap to promote cultural diversity and ensure a high degree of English immersion within the classroom.

PROGRESS TEST

Progress tests are carried out by the teachers at the end of each week to monitor and review students' progress and make any necessary adjustments for the following week.

LEVELS

Under the Common European Framework of Reference (CEFR), eight levels are available from A0 (Complete Beginner) to C2 (Proficiency). If a Course or Academy has a minimum requirement it will be stated on the supplementary information.

1	A0	Complete Beginner
2	A1	Beginner
3	A1–A2	Elementary
4	A2	Pre-Intermediate
5	B1	Intermediate
6	B2	Upper Intermediate

SYLLABUS

The Bede's syllabus offers varied, current and relevant topics to engage, motivate and inspire students. The syllabus is tailored to students' ages, needs and interests to ensure efficient learning.

METHODOLOGY

All English teachers are suitably qualified according to the Accreditation UK criteria. The teaching methodology is communicative and interactive, with creativity and personal expression encouraged. Students participate actively in enjoyable and engaging activities to encourage confidence in spoken English.

OUTCOMES

We present course completion certificates and achievement awards in our Leavers' Ceremony, not just for academic achievement, but also to recognise effort and improvement.

TUTORIALS

Tutorials are available on Friday afternoons, giving students the opportunity to discuss their academic progress with their Teachers.

Exams

Bede’s Summer School offers a number of intensive exam courses to allow students to obtain a professional qualification to certify their English level in preparation for future academic study or for their future career.

All exam courses are run as two-week programmes and include dedicated exam preparation instead of regular English lessons. Students sit the exam during their Bede’s course, normally in the last week.

All exam registration fees are included in the exam course fee. Special arrangements need to be requested with a minimum of 8 weeks advance, subject to availability.

On-site Activities

At Bede's Summer School, we believe that students learn just as much outside of the classroom as they do inside of it. Our on-site activity programme is key to this. Students will enjoy a wide range of engaging activities that make the most of the high-quality facilities available at all Bede's Summer School sites.

Bede's Summer School understands that all students have different interests. With that in mind, our programmes are designed to have something for everyone that works to the social and cultural benefit of our students combining sports, arts and crafts and challenging competitions.

Each of our boarding school summer centres has an on-site indoor swimming pool, sports hall and fields, as well as multipurpose indoor spaces for showcases and workshops to host the wide array of activities that students will enjoy. Our superb sites allow us to offer varied and exciting activities and evening events in first class surroundings.

Excursions are an integral part of the Bede's Summer School programme and no two weeks are ever the same! We offer students a complimentary mix of visits to places of cultural and historical interest, as well as chances for sightseeing, shopping and amusement.

With our carefully defined age ranges, excursions across the summer are tailored to the interests of students and are age-appropriate.

Depending on the centre, students will go on excursions either three or four times a week. Mid-week trips include half-day afternoon or full-day visits and involve visiting a local place of interest in a

nearby town or an off-site activity, making the most of the wonderful local and natural attractions across the South East of England.

Saturday excursions are a full-day trip and include a cultural, touristic or recreational visit to London. A sightseeing option is offered every week to ensure that students get the chance to experience the capital's most famous landmarks.

Sunday excursions are often more relaxing trips to a local Sussex seaside town such as Eastbourne, Brighton or Hastings. Students can walk along the beach, have lunch in the park or do some shopping whilst enjoying the sights and attractions on offer.

Zoology & Animal Management

This two-week programme is perfect for future Veterinarians, Zookeepers, Animal Biologists and those with a love and passion for animals. This course provides a superb opportunity for those pupils who wish to work with animals, wild or domestic, or who wish to have something unusual to sit alongside their scientific qualifications. Students will be able to move on to study veterinary medicine, veterinary nursing, zoology, conservation – and many other courses not directly connected with animals.

PROGRAMME INTRODUCTION

Bede's Summer School is delighted to be offering this hands-on, immersive course with unprecedented access to Bede's Zoo under the expert tutelage of our Zoo Managers and Zoologists. Combining Animal Management and Zoology workshops with practical sessions in Bede's Zoo in the morning, this programme is enhanced by a Research Project in the afternoons, which enables students to improve their general English language skills, practise communication and build confidence in public speaking.

BEDE'S ZOO

Situated at Bede's Senior School, Dicker, the Zoo is home to about 70 different species of mammals, birds, amphibians, reptiles, fish and invertebrates. Catering for their individual enrichment needs can be quite a challenge as each animal has different requirements, as a snake isn't going to need the same enrichment as a Squirrel Monkey. As a school, we are enormously lucky to have such a facility in our portfolio. In animal management, students look after a range of zoo animals, and help with the dormouse breeding programme to increase numbers in the wild.

ENGLISH LEVELS

We accept levels from B1 (Intermediate) to C2 (Proficiency). We cannot accept Complete Beginners or Beginners on this course. Students whose mother tongue is English are welcome on this course.

ANIMAL HUSBANDRY

Students learn about animal welfare and ethics, animal health and disease, animal behaviour, practical animal husbandry and work experience in the land-based sector.

ANIMAL CARE & BEHAVIOUR

We feel that a connection with animals is enriching, calming and fulfilling. Feeding mealworms to a gecko, trying to exercise a kinkajou, or listening to the calls of our primates – brings something to the lives of the young people who are privileged to be able to enjoy these opportunities.

ANIMAL HANDLING

Students look at wildlife conservation, both in captivity and in the wild, the ethics of keeping animals in captivity, how to health check their pets, and perhaps most enjoyably – take part in animal handling and feeding sessions, e.g. they are able to spend time feeding the white faced owl, cleaning out the Royal Pythons' vivarium, or rearranging the branching in the home of the Siberian Chipmunks.

To find out what animals are kept at Bede's Zoo, please visit Bede's Zoo official guidebook.

RESEARCH PROJECT

Working in small groups, students complete daily research tasks based around their chosen topic of interest and linked to a species they have learned about. They then present their findings and conclusions within the class on the last day of the course.

ZOO VISITS

The programme also enables students to look beyond our own school campus. Students will get the opportunity to visit at least two Zoos locally in the duration of their course, where they will have the opportunity to take part in talks and get a unique behind the scenes access on visits.

TYPICAL DAY

Zoology and Animal Management students will receive 20 hours of tuition per week. Specialist topics include animal welfare and ethics, practical animal husbandry, animal behaviour, animal classification and conservation.

Bede's Prep and Senior

Bede's offers a year round co-educational boarding experience for pupils from age 10 to 18 at both its Prep School on the coast in Eastbourne, and at its Senior School, a short distance away in Upper Dicker. At both schools, our international pupils benefit from our unique educational philosophy, focused on educating the whole person.

Our Prep School educates children through to 13 years. As the boarding community at Bede's Prep is small, with only 25 children, it provides a gentle and nurturing experience for our junior boarders who join us for short stays of one term or a year, or longer term as preparation for boarding at our Senior School.

The school offers an ambitious academic programme, which includes EAL support, alongside its highly regarded sporting provision. Creativity in the visual and performing arts is also at the heart of the school, and pupils also benefit from a range of trips and visits throughout the year.

From 13 years of age, pupils move on to the Senior School, which has over 300 boarders who live in five boarding houses, many of which have won awards for design innovation. The campus spans 120 acres and includes impressive sports facilities including a gym, pool and water-based astro, as well as multiple pitches.

All pupils at Bede's have their own personal tutor who supports them during their time at the school, ensuring that they settle in well, are happy in their boarding house and thrive academically.

We offer a wide range of academic subjects including GCSE, A-levels and BTECs. Pupils commonly join the school at Year 9 or Year 12 but we also have a small number of pupils who join in Year 10. Bede's also offers a Pre-Sixth one year GCSE programme, tailored to the needs of pupils who do not speak English as their first language, which acts as the perfect preparation for Sixth Form study.

Bede's is particularly well regarded for its sporting provision, offering academies in football, hockey, cricket and tennis. International pupils benefit from the high level of coaching which is fully integrated into the school day, allowing them to pursue their academic goals and develop English skills alongside.

Our visual and performing arts are also integral to school life and we attract pupils from across the world for our art programme in particular, which allows pupils to study art, design and technology, photography and ceramics through to A-level.

Our boarders enjoy busy weekends with a full programme of social events, trips and activities and are encouraged to take advantage of the cultural and academic enrichment programme offered after school as well.

Bede's is a modern school compared to many British independent schools, and our international students have been a valued part of our community since the school was founded over forty years ago. We continue to highly prize the diversity of our community, and are proud that our alumni community continues to be a truly global one.
