

Haileybury  
International Summer School

# Spring courses at Haileybury in 2024

## International Study Preparation

The academic English language and study skills course aims to prepare you linguistically and culturally for your future studies in an English speaking school, college or university. You will learn how to study effectively and become an independent learner. The two-week course consists of 41 hours of classes, six hours of supervised self-study and tutorials, and study tours to further enhance academic and cultural knowledge.

Classes will cover: • Research skills • Academic writing • Presentation skills  
• Listening and note-taking • Seminar skills • Grammar and vocabulary development.

## English+

Our Spring English+ course is a one or two-week programme which provides you with the opportunity to develop their English language and academic skills. You will try new activities, learn more about the UK's rich and varied culture, experience boarding school life and make new friends – whilst enjoying our beautiful, historic campus. Levels range from A2–C1 and classes have a maximum of 12 pupils.

## SPRING FOCUS ACTIVITIES

### Stage and Screen Acting

You will develop confidence and communication skills as you gain experience working behind and in front of a professional camera. Additionally, you will use improvisation techniques,

select and rehearse short scripts and perform group scenes on camera.

### Football

You will develop skills and game play strategies, whilst building teamwork and communication. Players will learn and practise level-appropriate techniques and advance abilities through scrimmages on full-sized pitches. Smaller five-a-side pitches will also be used for speed drills and agility.

### Tennis (beginners and experienced players)

You will learn the rules

and etiquette of the game and develop the skills and techniques of tennis according to your level. After working on serving, returning, court positioning and ball control, you will engage in practice matches and receive feedback from the coach.

### Great British Bake Off

You will learn the art of baking and techniques to produce a range of traditional British baked goods with a professional pastry chef – scones, Scottish shortbread, butterfly cakes, pastries or Bakewell tarts. At the end of the week, you will have compiled your own recipe books and journals so that you can make more scrumptious treats back home.

### Arts and Crafts

You will learn about and gain hands-on experience of a variety of artistic styles and mediums that might include; sculpture, block printing,

watercolours, batik and clay crafts. Using known artists as inspiration and learning to develop their own ideas, your creations will be displayed at the end of the week.

### Krav Maga

Krav Maga is a practical self-

defence system that helps participants to keep fit and improve social interaction, focus and concentration. During this introduction to Krav Maga, you will learn the basics of the sport while working on overall strength and fitness.
