AFTERNOON OPTIONS

Media Experts

(Minimum English Level: A2)

Step into the spotlight and become a storyteller of the digital age. Develop your speaking skills and boost your vocabulary, grammar and comprehension as you create powerful, engaging content.

From producing podcasts to filming and editing videos for social media and websites, you will explore the topics that matter to you while learning how to inform, entertain and inspire an audience.

Young Innovators

(Minimum English Level: B1)

Step into the world of innovation and leadership. In this exciting course, you will sharpen your English and build essential soft skills while exploring the values of sustainability, global citizenship, and modern business.

Each week, you will launch a new start-up designed to tackle real-world challenges then pitch your bold ideas to a panel of judges. Get ready to think big, act boldly, and make a difference.

International Relations

(Minimum English Level: B1)

Step into the shoes of a world leader and explore the fascinating world of diplomacy and global affairs.

Strengthen your English while sharpening your debating, negotiation and problem-solving skills as you take part in a thrilling Mini Model United Nations. You will tackle real-world crises, manage international challenges and discover what it takes to make a positive impact.

FOCUS ACTIVITIES

In the afternoon you will also choose a weekly focus activity from a range of exciting sports, performance and crafting options including:

- Stage and Screen Acting
- Football
- Tennis
- Great Haileybury Bake Off
- Arts and Crafts
- Basketball
- Hockey
