HARROW SCHOOL

Harrow School was founded in 1572. Famous past pupils include former British Prime Minister Sir Winston Churchill, the poet Lord Byron, actor Benedict Cumberbatch and astronaut Nicholas Patrick.

Harrow is considered to be one of the most prestigious schools in Britain, even the world. Summer-school students are fully immersed in the Harrow experience, from staying in one of the famous boarding houses to exploring the historic buildings where films such as Harry Potter and the Philosopher's Stone, the Theory of Everything and The Secret Garden were filmed. Harrow School boasts an impressive heated indoor pool, sports hall, tennis courts, theatre and a School farm.

Students are accommodated in single or twin bedrooms, with shared bathrooms, in a Harrow School boarding house. Each house has its own beautifully landscaped gardens and recreational facilities, for example a five-a-side football pitch or basketball court.

SERIOUS STUDY

Summer School is the perfect opportunity to forget about exams and to focus on communicating in English.

OUR APPROACH

Summer school is the perfect opportunity to forget about exams and to focus on speaking and interacting in English. We encourage our students to put their knowledge and ability, independent of their English level, into practice, meaning they enjoy their language lessons, improve rapidly and feel proud of their progress. We call this 'Serious Study'.

Our summer English-language courses are accredited by the British Council for the teaching of English in the UK, and we are a member of Young Learners English UK and English UK.

OUR LESSONS

Lessons help students improve their speaking, listening and pronunciation skills, giving them confidence to communicate more fluently in English.

We teach language along with the soft skills that students need for success in modern life, such as teamwork, negotiation, debate, problem solving, presentation and leadership.

Our lessons focus students on improving their speaking, listening and pronunciation skills, helping them to build confidence and communicate more fluently in English.

OUR TEACHERS

Our EFL (English as a Foreign Language) teachers hold a range of qualifications including British PGCE Primary and Secondary, CELTA and DELTA certificates.

All our teachers are native or bilingual speakers of English, and we look for teachers who are friendly, fun, empathetic and experienced in teaching young learners.

Many teachers return to us year after year and continue to teach with us year-round, delivering classes for our online lessons. Our staff have current enhanced police checks, and an overseas equivalent where required, to demonstrate their suitability to work with children.

Junior courses focus on building speaking, listening and pronunciation skills in English with a multi-activity programme, combining English tuition with activities and excursions that let students practise their new language skills while also, importantly, having fun.

General English lessons are focused on student interests and project work is based on weekly themes such as:

HARROW SENIORS

ENGLISH LANGUAGE ELECTIVE OPTIONS

Senior students have general English lessons in the mornings. They also have 10 hours over each course in the afternoon for one of the English-language options below.

PROJECTS AND PRESENTATIONS

In these lessons, students work together to produce a project that is a reminder of their time at Summer School. Students show their completed project to other groups in a presentation session at the end of their course, and one group is declared the winner.

Project work helps students develop their communication and language fluency as well as promoting teamwork, time management and presentation skills.

The important thing is for students to enjoy what they are doing, learn and practise new language and produce something they are proud to show to friends at Summer School and home.

ENGLISH FOR ANALYSIS AND DEBATE

These lessons are perfect for students who want to study at English-medium schools or universities. The aim is for students to develop their ability to understand academic language and express themselves using this language. We focus on how to form and defend your opinions and how to analyse and question the opinion of others.

The skills and language covered will be helpful to students who are taking a test for academic purposes such as IELTS, Cambridge Suite, school or university entrance exams. Due to the language content, students need to have strong intermediate (B2.1 level or above) level of English in order to study on this course.

TRANSFERS

If a transfer has been requested, our staff will meet the students arriving at Heathrow or Luton airports (or St Pancras Station for Eurostar arrivals) and accompany them to Harrow School. We collect any children travelling as Unaccompanied Minors directly from their airline representatives. An Unaccompanied Minor is where you pay the airline to escort your child from their home country to the United Kingdom. Please check if this service is available from your airline or Eurostar.

On departure day, we will take students to the relevant airport, through check-in and to the security gate. Those travelling as Unaccompanied Minors will be taken to meet their airline representatives. We also offer transfers from/to St Pancras International Station, for Eurostar journeys only.

Transfers are included in the course fee (subject to Terms and Conditions) and valid for the arrival and departure day of the course that the student has booked.*

STUDENT WELFARE

Student welfare is at the centre of all that we do at Harrow School Short Courses. We operate a very high standard of pastoral care with a full-time residential Welfare Officer and onsite medical centre open every day and staffed with highly experienced nurses. In our most recent British Council accreditation inspection, it was reported that "The needs of the students for pastoral care, information, advice and support are very well met".

Junior students are accompanied by staff at all times. Unless parents tell us otherwise, students aged 15 or older may be allowed to go shopping unsupervised when on excursions, but only if they are in a group. On excursions, juniors are supervised at a ratio of seven students to one adult. For senior students, the supervision ratio is ten students to one adult.

Every member of staff has passed police checks and is trained to the highest standards. Our approach to pastoral care and student wellbeing is informed and complimented by Harrow School's strong legacy of providing an exemplary 24/7 boarding operation.

*Please see Terms and Conditions for specified times on free transfers. Contact the Harrow School Short Courses registration team should you have queries before booking your flight.

TERMS AND CONDITIONS

Harrow School Short Courses is a trading name of Harrow School Enterprises Limited registered in England, company number 1617359.

Harrow School Enterprises Ltd is a wholly owned subsidiary of Harrow School ('The School'), registered charity number 310033.

Courses at Harrow School Ltd are operated by Harrow School Enterprises Ltd.

ENROLMENT

Places on each course are limited and we advise you to apply as early as possible.

Enrolments open in November 2025 and remain open until the end of June 2026 or until all course places are sold.

All Harrow School Short Courses applications and deposit (or full fee) payments must be made online through Flywire (a secure international payment platform) via a payment link. The link will be sent along with the student's booking approval email. An enrolment is not complete until we have received the deposit or full fee and confirmed the booking in writing.

The initial deposit of £600 per course per student is part of the full fee and not an additional cost. Deposits are required to reserve your course place and are non-refundable and non-transferable. We require an online deposit payment via Flywire for each course that you book before 24 April 2026. If the application is accepted on or after 24 April 2026, we must receive full payment of fees via Flywire at the time of booking.

Harrow School Short Courses must receive the full balance of fees for all courses by 5 May 2026 to secure the student's place on the course. If we do not receive full payment by this date, we reserve the right to cancel the student's place on the course(s) and we will retain the deposit payment.

It is your responsibility to check before the payment deadline if there are any foreign exchange restrictions in your country and to plan with your bank in advance to ensure we receive payment by the deadline.

If incorrect information is provided in the application (e.g. the age of the student) to Harrow School Short Courses, we may ask the student(s) to leave the course. If this happens, we will not refund the course fees.

Places are held for three working days after we email to accept an application. We will release the place if we do not receive the deposit or full payment within the deadline given in the acceptance email.

The Parental Consent Form (PCF) including Emergency, Medical and Travel etc. will be sent via email. This PCF must be completed within the deadline given. Any misinformation or withheld information may result in the child being asked to leave the course without refund.

At registration, all students will need to give us their passport. This includes students arriving with their parents or guardians. It is a requirement of the UK Border Agency that we keep passports onsite and securely stored. We return passports to students at deregistration.

Students who know each other will not necessarily stay in the same boarding house, or have activities, lessons or excursions together.

Our boarding houses have either single or twin rooms with the majority being single. Therefore, we cannot guarantee twin accommodation requests. Rooming requests must be submitted by email to summerschool@harrowschool.org.uk before the student's arrival. We must receive this request from either the agent (on behalf of the individual parents) or directly from the individual parents of both students. No demands for rooming requests will be accepted. We will try our best to accommodate submitted requests, but they are not guaranteed.

CANCELLATION

Please contact us immediately by written request at summerschool@harrowschool.org.uk if you need to cancel your course (see Liability and Insurance sections).

If you cancel after 5 May 2026, we will retain all fees paid. Depending on the reason for cancellation, you may be covered by the insurance policy which is included automatically in all course bookings after we have received the deposit payment. Please contact us for details of this policy.

AMENDMENTS

After a student has registered, you cannot change their name. The name on the application must match the legal name on the student's current passport.

Students are able to change the course that they are booked on before arrival after payment has been received providing there is space available. There will be an administration fee of £75 for changing course. Please see our cancellation policy.

Senior applicants (12–17 year olds) must confirm their Academic Options (i.e. English for Analysis and Debate or Projects and Presentations) on the parental consent form before the beginning of the course.

AIRPORT AND EUROSTAR TRANSFERS

Your travel details are a part of the PCF and must be completed whether or not you require a transfer. We must receive your travel details by the deadline given in the email when the PCF is sent. We can not guarantee a transfer if the student's travel details are not submitted by the deadline given.

Harrow School Short Courses always confirms travel details by email. Do not assume that Harrow School Short Courses has received the student's travel details until a travel confirmation letter is sent by email to confirm the student's transfer.

You must inform us immediately of any changes to your travel arrangements. We must receive any changes to arrival travel details at least ten working days before the start of the course and any changes to departure travel details at least ten working days before the end of the course. If we do not receive travel details or amended travel details within the ten working days' deadline, or if we receive changes on the day of the transfer we cannot guarantee a transfer.

We do not run a shuttle service but organise a scheduled transfer from/to our designated airports or St Pancras International train station (Eurostar only) for students who send us travel details within the deadline given and hold a valid return ticket with a time and date for the transfer scheduled. You cannot arrive with an undated ticket, and Harrow School Short Courses cannot book your return ticket. Transfers are normally by car, minibus or coach. We may occasionally use trains or public transport for transfers. Ensure student's flights/train tickets are booked within our scheduled arrival and departure transfer times below and to our designated arrival and departure airports/train station.

Arrival	Departure
6am–6pm	9am–7pm

DESIGNATED AIRPORTS/EUROSTAR

We offer a complimentary transfer service to/from London Heathrow Airport, London Luton Airport and St Pancras International train station (Eurostar) only. We can not accept requests for transfers that do not meet our travel requirements. If you want to fly into or out of alternative airports, you will need to arrange your own transportation (no transfer required) and arrival/departure to or from Harrow School must be within the window specified.

Please contact the Harrow School Short Courses Registration team at summerschool@harrowschool.org.uk if you would like to check your travel arrangements with us before booking.

Please note, we will not provide transfers for students being dropped off at one of our designated airports or St Pancras International station (Eurostar) by an adult unless the student is booked on a flight or train arriving on that day and has an approved transfer from HSSC. We will also not provide transfers for students meeting an adult at an airport or St Pancras International station unless the student is booked on a flight or train leaving that day and during HSSC transfer hours.

A student cannot arrive early and wait for our staff if their arrival is before our transfer window and we cannot leave a student at the airport or train station to wait if the departure is outside our transfer window.

Students who have a scheduled transfer with us will arrive at the airport approximately three hours before their flight/train departs. We will check-in the students and stay with them until we can send them through the security gate and will not release them from our care until this point.

Adults can meet students at the check-in desk, but our staff cannot wait for adults.

Students must pay the cost of excess baggage and Unaccompanied Minor (UM) charges; Harrow School Short Courses is not responsible for these costs. It is the parent's responsibility to check the airline's arrangements for the payment of airport departure tax, the maximum luggage allowance or any airline policy which may affect the student's departure on transfer day. We provide transfers only for students booked on our courses.

Students attending Harrow School Short Courses who do not require a transfer must arrive at Harrow School with a parent or an authorised adult

between 2pm and 5pm and depart with a parent or an authorised adult between 9am and 1pm. Please note, you may not be able to check into your bedroom before 2pm on arrival and there are no activities or classes scheduled on departure.

If a student is collected by an adult who is not the parent or legal guardian, the parent or legal guardian must first complete an authorisation form in advance, giving us the name of the adult no later than 48 hours before the student's departure date. All adults must show photographic ID (passport) to Harrow School Short Courses staff and sign the student release form before we release the student into their care. The authorised adult's name (the person scheduled to collect the student) must match the legal name on the passport. As a part of our safeguarding and pastoral care, we will need advance notice of any changes to the authorised adult before we can release the student.

VISITORS TO THE COURSE

Any relative or friend who wants to take a student out during the course must ask for the permission of the Centre Director or their delegate at least 48 hours in advance. We require students to attend all their lessons.

If the visitor is not the parent or guardian of the student, we must receive an authorisation letter from the parent or guardian at least 48 hours in advance. The visitor must show photographic identification (passport) to Harrow School Short Courses staff before we release the student into their care.

All students are required to be signed out and signed back into Harrow School Short Courses' care by the parent, guardian or authorised visitor. Parents or guardians are welcome to accompany students to their boarding house on arrival day but are not allowed into boarding house bedrooms during the course or on collection.

Parents, relatives and friends of students are warmly invited to attend the awards ceremony held at the end of the course.

STUDENT VISAS

Please note Harrow School Short Courses cannot provide visa advice so please visit: gov.uk/standard-visitor-visa/ if you are under-18 or you can contact EnglishUK or your local visa office. Some nationalities will require student visas or an ETA (electronic travel authorisation) to study in the UK and obtaining the correct one (if applicable) is the responsibility of the client.

Harrow School Short Courses can provide students with a letter of acceptance and visa support letter (for the registered student only) on receipt of the deposit payment. We can not accept requests for visa letters to be altered.

Should a visa be rejected by the Entry Clearance Officer, and the client has followed all the correct procedures, the following refund policy applies: if a visa application is rejected and we receive written evidence at least six weeks before the start of the course, we will refund the fees received in full, less an administration fee of £350.

If written evidence of a visa refusal is received less than four weeks before the start of the course, then the refund will be paid less the administration

fee of £350, and the non-refundable deposit paid at the time of booking. Where we receive this evidence, the refund will be paid back to you within four weeks of you providing us with bank details and written authorisation of the requested refund due to a visa refusal. Please note, in order to mitigate fraud and money-laundering risk, all payments received via Flywire will be refunded to your original payment method through Flywire. With all visa refusals, original written documentation issued by the Entry Clearance Officer must be provided to Harrow School Short Courses to qualify for any refund.

Harrow School Short Courses will not refund a client should the reasons for refusal be related to insufficient, incorrect or false documentation. Harrow School Short Courses will not refund a client should the client not have applied with sufficient time for the visa to be approved or applied for the wrong visa. We strongly recommend clients apply at least three months before the start date of the course.

LIABILITY

Harrow School Short Courses and The School has public liability insurance. Any liability of Harrow School Short Courses or of The School to the student, parent or guardian, in respect of which Harrow School Short Courses or The School has insurance cover, shall be limited to the amount of such cover and any such liability.

Nothing in these terms and conditions shall operate to exclude any liability of Harrow School Short Courses or The School for personal injury or death caused by negligence of Harrow School Short Courses or The School or our respective servants and agents.

It is a condition of the contract between Harrow School Short Courses, The School and the student or their parent or guardian, that Harrow School Short Courses and The School is not in any way liable to the student or the parent or guardian in the event that any service contracted to be supplied by Harrow School Short Courses or The School becomes impossible to supply, due to reasons outside of our control.

INSURANCE

Harrow School Short Courses provides insurance cover as part of your enrolment. This is designed to meet the needs of our students coming on courses in the UK. There is no extra charge for this cover. Your cover starts automatically when we receive your deposit payment. Any additional insurance coverage the student may need while attending the course should be arranged independently. Please contact the Harrow School Short Courses Registration team for full policy terms and conditions.

The insurance is arranged by Ortus Underwriting Ltd via One Broker (Cambridge) Ltd. Both entities are subject to regulation by the Financial Conduct Authority in the UK.

If there are costs involved in the medical treatment of a student, you must pay these costs initially. If you want to claim for these costs, you must do so directly with the insurers.

PASSPORT, TICKETS AND POCKET MONEY

Students must submit their passport and travel ticket at registration on arrival at Harrow School.

These documents will be kept securely through out the course and returned at deregistration.

Pocket money can be handed in at the start of the course. Our insurance policy covers for loss of cash of up to £250 only. We recommend that you purchase a debit card or a credit card for use in the UK. You can then add extra pocket money if required. Any additional pocket money transferred to Harrow School Short Courses by bank or credit/debit card while the student is on a course will incur an administration fee of £30 per transaction.

Harrow School Short Courses will not lend or advance pocket money to any student.
