(b) The initial payment is not refundable if the student does not take up a place on the course with the exception of the circumstances listed in 2(c).

Evidence of an unsuccessful visa application would be required from the embassy where the application was made. If a visa has not been obtained in time, proof that the application was initiated 4 weeks prior to the course start date is required for a full refund.
- Less than 30 days before the first day of the course; payments are fully refundable if there is significant variation to the course advertised.

(d) Taunton School reserves the right to cancel a course, giving 30 days' notice, due to insufficient numbers. In such circumstances all payments will be refunded.

(e) Places on the course are subject to availability. If a place is not available the initial payment will be refunded.

3. Equality

The School has a Christian ethos and welcomes students from any ethnic background, religious group or creed. Human rights and freedoms are respected and the School maintains and follows an equal opportunity policy. The School will do all that is reasonable to ensure that the School's culture, policies and procedures are made accessible to students that have disabilities and to comply with our legal and moral responsibilities under equality legislation in order to accommodate the needs of students who have disabilities for which, after reasonable adjustments we can adequately cater.

4. Course Fees

- (a) After deducting the initial payment, the remainder of the course fees must be paid in full by Friday 29th May 2026. If booking after this date, full fees must be paid at least 14 days before the first day of the course.
- (b) Where full payment has not been received, we reserve the right to accept another student onto the course and to refuse to allow your child to attend the course.
- (c) The Course Fees will not be reduced as a result of absence due to illness or otherwise. - (a) It is a condition of remaining on the course that each student complies with the Course Rules and Behaviour Policy as amended from time to time.
- (b) A complaint or rumour of misconduct against your child will be investigated. 6. Disciplinary Procedures and Complaints

- (a) The Course Director in his/her discretion may suspend or, in serious or persistent cases, may permanently exclude a student from the course if he/she considers that their behaviour (including behaviour outside School) is unsatisfactory, and that removal is in the School's best interests or those of the student or other students or is in the interests of the well-being of the staff or to prevent the School being brought into disrepute.
- (b) Should the Course Director exercise his/her right under sub-clause (a) above you will not be entitled to any refund or remission of course fees and you will be liable to repay any costs incurred by the School.
- (c) The School will act in a way which is fair in all the circumstances when taking decisions under Clause 5.

7. The School's Obligations

- (a) Subject to these Terms and Conditions, the School undertakes to accept your child as a student on the course.
- (b) While your child is a student on the course, we undertake to exercise reasonable skill and care in respect of his or her welfare. This obligation will apply on the School premises and when students are participating in activities organised by the School.
- (c) We will not subject your child to corporal punishment.
- (d) We will not subject your child to any physical contact except where such contact may be deemed appropriate or in order to avert an immediate danger of personal injury to, or an immediate danger to the property of, a person (including your child). Unless you notify us to the contrary, you consent to your child participating, under proper supervision, in contact sports and in other normal sports and activities which may entail some risk of physical injury.
- (e) If your child requires urgent medical attention while under the School's care, we will if practicable attempt to obtain your prior consent. However, should we be unable to contact you sufficiently quickly, we shall be authorised to make the decision on your behalf should consent be required for urgent treatment (including anaesthetic or operation) recommended by a doctor.
- (f) Our course literature describes the broad principles on which the course is run and is believed to be correct at the time of printing. However, from time to time it may be necessary to make changes to any aspects of the course and we reserve the right to do so.
- (g) We will monitor your child's progress on the course and produce a written report.

8. The Parents' Obligations

- (a) You undertake to inform the School of any health or medical condition, disability, allergy or infection that your child has, whether long-term or short-term, including mental health or welfare concerns. If the School so requires due to a health risk either presented by your child to others or presented to your child by others or by reason of a virus, pandemic, epidemic or other health risk, you agree that your child should leave the course and not be permitted to return until such time as the health risk has been averted. You agree to be responsible for the cost of any such special arrangements whether or not you can recover the cost from your insurance.
- (b) We will make reasonable adjustments to meet the needs of any disabled student but you agree that this will not be possible in every case and we reserve the right not to accept a student onto a course or to ask a student to leave the course where we cannot make the necessary provision.
- (c) You agree that your child can participate in all activities, sports and excursions and undertake to inform the School of any situations where special arrangements may be needed in relation to your child.
- (d) We cannot accept any responsibility for the welfare of your child while off the School premises unless he/she is taking part in a School activity or otherwise under the supervision of a member of the School staff.
- (e) If you have cause for concern as to a matter of safety, care or discipline you should inform the School without delay.

- (f) You agree to complete and return all forms, in full, provided by the School by the specified deadlines. A student will not be permitted to start the course without a completed Summer School medical form. In order to qualify for the free airport transfers between the published times on arrival and departure days you must provide the completed travel form by the published deadline. You will be liable for the full cost of travel and transfers if you do not provide this.
- (g) You accept that your child is responsible for the security and safe use of all their personal property, cash and property lent to them by the Summer School. The Student is responsible for ensuring that all such personal property is clearly marked with their name.

9. Liability and Insurance

- (a) Unless negligent or guilty of some other wrongdoing causing injury, loss or damage, the School does not accept responsibility for accidental injury or other loss caused to the Student or for loss or damage to property.
- (b) The School maintains those insurances as required by law and provides a basic insurance for Students. A copy of the policy is available on request. The Parent is responsible for any other insurance including insurance of the Student's personal property whilst at the School or on the way to and from School or any activity away from the School premises organised by the School.
- (c) The School strongly recommends that you review our policy to fully understand its scope and limitations and take out additional insurance for your own financial and personal security.

10. Transport

The Parent consents to the Student travelling by any form of school or public transport or in a motor vehicle driven by a responsible adult who is duly licensed and insured to drive a vehicle of that type.

11. Airport Transfers

The school provides free airport transfers for students on our Summer School courses on the published arrival and departure days for flights scheduled to arrive and depart between 0900 and 1800. This service applies to London Heathrow and Bristol airports only and on receipt of the completed travel form no later than 30 days prior to the start of the course. Free airport transfers apply to the six-week Summer School only.

For students on the six-week Summer School that book flights outside the arrivals and departures window (0900 – 1800) or to an alternative airport, the School cannot guarantee that a transfer can be provided. If the school can support with a transfer, there will be an additional fee to cover the full cost of the transport arrangement.

The School does not provide airport transfers for students attending the Pre-Sessional course. Students are required to make their own transfer arrangements to travel to and from the School.

The School does not organise/book airport transfers on parents/guardians behalf or provide Unaccompanied Minor support outside these dates and times.

The school does not offer transfers to children or adults other than the student applicant.

Free transfers are by coach, minibus or private taxi. Students typically share vehicles. For logistical reasons, students may not choose a preferred mode of transport.

12. Data Protection

- (b) In the event of a force majeure arising which prevents or delays the School's performance of any of its obligations under this agreement, the School shall forthwith give you notice in writing specifying the nature and extent of the circumstances giving rise to the force majeure. Provided that the School has acted reasonably and prudently to prevent and minimise the effect of the force majeure, the School will have no liability in respect of the performance of such of its obligations as are prevented by the force majeure while it continues.
